To the Midwest Clinic:

On behalf of Rouse High School and our entire community, I am writing to express our deepest gratitude and excitement for the invitation extended to the Rouse Band to perform at the 2024 Midwest International Band and Orchestra Clinic. This is an incredible honor, and our students, staff, and families are beyond thrilled by this opportunity. We take great pride in our band program, and this invitation is a testament to the hard work, dedication, and talent of our students, as well as the outstanding leadership of our band directors.

The Rouse Band has always exemplified the spirit of excellence that we hold dear as Rouse Raiders. Their commitment to hard work, perseverance, and continuous improvement is reflected in every note they play, and the invitation to perform at such a prestigious event affirms their dedication. Our students have developed a culture of excellence, guided by their directors who instill not just musical skills, but also valuable life lessons in discipline, teamwork, and passion. We are confident that the performance in Chicago will showcase the talent and character of our students and the quality of our program.

This trip will undoubtedly create lasting memories for our students, staff, and families. We are eager to experience this momentous occasion and know that the City of Chicago will be treated to a memorable performance by the Rouse Band. The entire Rouse High School community looks forward to the opportunity to represent our school, our district, and our city with pride. We are excited for the chance to create lasting memories in Chicago, and we cannot wait to see the joy and pride this experience will bring to our students.

Sincerely,

Vincent Hawkins
