To the Midwest Clinic:

On behalf of the Board of Trustees of Leander Independent School District, it is with immense pride and gratitude that we extend our heartfelt appreciation for selecting the Rouse High School Honor Band as one of the distinguished performers at the prestigious Midwest International Band and Orchestra Clinic. To have our students showcased at such a renowned event is a tremendous honor for our district, and we are thrilled to have one of our premier music programs representing us on this stage.

The rigorous selection process and the extraordinary dedication required to earn this distinction speaks volumes about the commitment and passion of the Rouse High School Honor Band, their Director, Ryan Johnstone, and the entire Rouse High School music education team including Caitlin Wolf, Anna Bush and James Sparling. Their tireless efforts inspire us all, and we are beyond proud of their remarkable achievements.

Thank you for granting this exceptional opportunity to the Rouse High School community and for recognizing the excellence within Leander ISD. It is truly a moment of celebration for all of us.

With sincere appreciation,

Gloria Gonzales-Dholakia, Ph.D.
Board of Trustees President
